A 1999 survey found that Korumburra was, at that time, one of the most socially disadvantaged regions in Victoria. The survey was conducted by Professor Tony Vinson on behalf of Jesuit Social services. Korumburra came in fourth-most disadvantaged just behind Braybrook, Corinella and Broadmeadows.

In July 2002 the Korumburra Community Needs Identification Project Report and Community Action Plan was released. This report’s recommendations guided the formation, one month later in August, 2002 of KCDA (Korumburra Community Development and Action Inc.). KCDA’s mission was/is to work together with all sectors of the community to further improve the quality of community life. One of its main objectives was/is to help start and support cooperative projects that encourage community involvement.

Early achievements included publishing The Burra Flyer (September 2003), converting the former comfort station in Radovick St into a Community Access Centre to form a hub for the local community in a friendly atmosphere (January 2004), preparing new residents' Information Kits and maintaining a community noticeboard outside the middle pub. KCDA continues to fulfil all these roles (and more) in 2017.

**Burra Flyer**
The first Burra Flyer (September 2003, 16 pages black & white) was edited by Paul Greco who was a Community Project Worker until May 2004. It was prepared with the support of Korumburra Secondary College year 9 students. Early helpers included Peter Biggins (Principal of the Secondary College), Alan Forbes, Maureen Sivyer, Peter Young and Maurie Thiele. Funding for early issues came from a Shire grant and the Victorian Government Community Support Fund.

Maurie Thiele took over as editor from the second edition (December 2003). Advertisements were accepted from March 2004.

Colour was introduced in December 2004 by which time the Flyer had grown to 28 pages. Maurie printed the Flyer until June 2010 when printing was outsourced to Prism Colour in Boronia.

Maurie edited the Flyer until December 2012 - by now the Flyer had grown to a 40 page booklet. Don & Gail Patterson took over editorship from the March 2013 issue and will conclude with this current issue.

**Korumburra Business Association – Working Together For Our Future**

The Korumburra Business Association are really excited about Christmas in Korumburra in 2017.

We have been overwhelmed with the generosity of the Korumburra businesses, community groups and even residents as the donations received have exceeded our goal of $7,000.

We are hoping that everyone joins us with the Christmas spirit and the shop fronts dress up in time for our

**Christmas Street Party**
Saturday 16th December
from 9.00am - 12.00noon.

Our Christmas Street Party will be packed full of fun activities for the kids with a Jumping Castle, Face Painting, Balloon Twisters along with a Christmas Decoration Craft activity that the children can take home.

We are looking forward to hearing from the Korumburra Primary School Choir, as well as the South Gippsland Concert Band who will play some Christmas Carols. Of course it wouldn’t be complete without a visit from Santa, and we will again be offering Santa photos. The best thing is that all these activities are FREE.

We would like to thank all our Members for their continued support and wish everyone a very Merry Christmas and a Happy and Prosperous New Year.
Now that winter is behind us, croquet lovers are shedding the woollies and grabbing the mallets. Croquet is a fun way of enjoying some outdoor exercise. It is a combination of intellectual puzzle solving and non-strenuous physical activity, suitable for most people. Does that sound like fun? Well, it is! Don't be put off by the 'old fashioned' views of a bygone era. Those views are long gone.

New faces are always welcome and we invite you to come along to our croquet lawns at 44 Victoria Street and "have a go". There is no requirement to play tournaments, we are supportive if you just want to play a relaxing social game (or three) on Saturday afternoons.

Play on Saturdays commences at 1pm and practice is on Tuesday mornings from 10am.

Contact Joan on 5655 2126 or Helen on 5655 2247 if you require further information.

We had a visit from some students from St. Joseph's school recently, and those young students had some good questions. One was regarding the history of the Scout Hall. When was it established? Another was about 'famous' people from Korumburra. Of course there was Sir Stanley Savige; the gates at Coleman Park are named in his honour. Who else was there? Well there is former Police Chief Ken Lay (newly appointed Lieutenant General of Victoria), Leonard Hungerford, famous pianist; Alan Goad, footballer; and what about Bob Makeham, four times in a row a premiership player for Collingwood. That's quite something isn't it? Can anyone help us with the Scout Hall question? The big question of course is Why is history important? Well...

This month we will join together for an end of year dinner at the Chinese Restaurant in Korumburra at 6.00 pm, and then meet at the rooms at 8.00 pm for the meeting. We'll be hearing something of what it would have been like to be celebrating Christmas in 1898.

Workshop afternoons, which generally occur on Tuesdays, won't be taking place in January.

Our first meeting for 2018 will be on Thursday, 1st February at 8.00 pm when we will meet at the Historical Society rooms in King Street. Following the business section of the meeting we will look at a range of photos on the roads and vehicles of early Korumburra.

We'd love to welcome new members so, if you would like to join us, please do. If you would like to have more information please e-mail or telephone our Secretary, Janet Wilson, janet.wilson@desi.net.au or 5657 2267.

The South Gippsland Concert Band has been as busy as ever lately, with Christmas starting to loom over us. We are excited to be playing again at our local nursing homes, while also taking to streets, markets and everything in between to share music with our community. Information on our performances is available on our website and social media. We are also busy planning for some performances early next year, including Coal Creek's Geekfest, and the 50th anniversary of the Mossvale Park 'Music for the People' on February 25th. We would love to see everyone at these events, enjoying music.

We have been lucky to have several new members join us recently, and we are keen to extend this welcome to any musicians in the area.

Everyone is welcome down at the Creek. We rehearse on Monday nights during the school term from 7.30pm to 9.30pm in the auditorium at Coal Creek Historical Park and Museum in Korumburra. SGCB is also very excited to announce the launch of our Facebook page which we would love for everyone to get on and like. https://www.facebook.com/SouthGippslandConcertBand/. We will be posting photos and dates promoting our Christmas season, and you can see our brand new shirts!

For all enquiries regarding possible events or joining our group please contact our Manager Em Barton on 5655 1767 or email adm@sgconband.net. Information on upcoming events can also be found on our website at http://www.sgconband.net/index.php

Join Korumburra’s first Relay For Life event

South Gippsland (Korumburra) Relay for Life is looking for teams!

Cancer Council Victoria’s South Gippsland (Korumburra) Relay For Life will be held at the Korumburra Showgrounds on Saturday March 17th and Sunday 18th, 2018. The Local Committee is now looking for teams to take part in this important social fundraising event. For potential future participants the following explanation might help break it down.

The relay event starts at 4pm on Saturday 17th and finishes at 10am on Sunday 18th. It will be held on the oval at the Showgrounds which, being flat, allows for easy walking. Participants are not expected to walk for the whole time but it is hoped that each team entered will have a participant walking throughout the whole time - this explains the ‘relay’ aspect of the event. Teams are also encouraged to have abaton which will further highlight their reason for taking part. This could be a fishing line, spirit level or even a wig! Teams may also have a special theme such as super heroes, footy colours or fairies!

The following steps may help you:

- Team members register individually but most teams have 10 members or more.
- Initially, the cost is $20 per person (includes a relay shirt and insurance cover). The price increases after 15 January so register soon!
- The $20 entrance fee goes towards your team’s fundraising total.
- Begin fundraising activities e.g. raffles, movie nights, walks, stalls. You’ll receive useful information on how to handle the money raised in the Team Captain’s pack when you register.
- Teams can continue fundraising on Relay Weekend. Each team will have their own marquee site on the oval to help organise this.
- There is opportunity to camp in tents or caravans at the Showgrounds during the event.
- Music, Activities and Entertainment for adults and kids will keep you going throughout the event and there will be plenty of food and drink outlets and stalls.
- Also there will be occasional Team Captain meetings to explain any further developments as organisation of the event continues.

If you would like someone to come and talk to your group to further explain any aspect of this do not hesitate to contact Bill Rodda of the Volunteer Organising Committee on 5655 1389 to arrange a suitable time.

Some Term 4 highlights - Year 5
Urban Camp; Junior Swimming Program at the Indoor Heated Pool; Year 4 Bike Ed Program culminating in a Bike Hike to celebrate the end of the school year; Statewide Transition Day with the Year 6’s heading to their selected Secondary College for 2018 and the 2018 Preps attending for their final orientation session. Once again, our annual Art Show was a resounding success thanks to our inspirational Art Teacher, Ms Rachel Warren and of course some very talented students.

A special Morning Tea will be held at school in December to celebrate our many volunteers. Year 6 Graduation will be held on 18th December where the students are acknowledged, celebrated and farewelled from KPS. All students are currently undergoing a number of common assessments which will assist teachers to write the Semester 2 reports.

In 2018 our Principal, Mr Nathan Pirouet, will be taking 12 months leave from his position to travel and spend more time with his young family. We wish them well on their adventures. A replacement will be announced in December.

Students finish the 2017 school year on Thursday 21st December at 3.30pm and resume on Wednesday 31st January, 2018.

February 2018 will be all about swimming with the House Swimming Sports, District Swimming Trials & Sports and Year 3-6 Aquatic Education. Let’s hope it’s swimming weather!!

In the year ending June 2016, the number of family violence incidents went up by 10% to 78,012 in Victoria. As a community it's time to say NO and together we can make a difference. It is the responsibility of all of us individuals, families, communities, work places, businesses, sporting associations, as well as media and the arts to build a culture of respect and equality for all individuals. **Men's Sheds**

Men's sheds have been established in many towns but each is different. They provide a fantastic space to do the kind of things you'd do in the backyard shed, but why do it alone?

The Korumburra Men's Shed is a friendly group and offers a space to tinker, share ideas, enjoy a cuppa and of course a laugh. Believe it or not being part of a Men's Shed can be great for your well-being and a lot of fun too. If you have never been why not drop by and have a snoop, what have you got to lose?

The Korumburra Men's Shed is now located in the old railway Goods Shed (behind the Post Office) and they meet Tuesdays and Wednesdays 9.30 am – 1 pm. Cost is $4 per session.

**Strzelecki Community Christmas Party**

The 2017 Strzelecki Community Christmas Party will be held at
6.00 pm, on Saturday December 9
at the Strzelecki Community Hall.

This a great chance to catch up with both old and new friends before the Christmas rush. The kids love it!!!!

There will be a Sausage Sizzle (sausages in bread $2 each) and a raffle. Tea, coffee and cordial will be supplied but you are welcome to bring other beverages. It would be appreciated if attendees could donate an item for the raffle such as wine, chocolates, candles or pot plants, and bring a plate of nibbles / dessert / cake to share.

**FATHER CHRISTMAS WILL BE VISITING** (with usual arrangements for presents to apply).

Why not visit our historic community hall and be part of our community's Christmas tradition?

For further information contact Dianne on 0419 302 117.
Our club once again sponsored the Kids Pavilion during the Dairy Expo at Korumburra Showgrounds with help from Angie Bowen on September 27/28. We had the jumping castle and Wendy Rahilly provided face painting for the kids.

Saturday night October 14th saw the club’s annual Charity Dinner Auction, again held at the Korumburra Italian Social Club. This was the club’s major fund raising event for the year, achieving a total profit of around $25,000.00. Korumburra Rotary would like to thank all those who donated goods and services and helped with the night. A large proportion of the funds raised is committed to the Robyn Holmes Foundation.

In conjunction with local artists, the club has sponsored several art exhibitions in the club’s Federation Art Gallery. [The Calendar of events is on the club’s FaceBook events page.]

The club’s catering van was put to good use providing for the large Halloween crowd at Coal Creek. All the food was sold out over the evening. Due to the uncertainty of the forthcoming fate of the present Library/Art Gallery, it has been decided to put on hold the annual Art Show for this coming February. However the Club will raffle a painting by artist Ross Paterson. The painting will be on display at Mark Holmes’ showroom, with tickets for the painting sold at IGA by club members.

Catering for the popular “New Year’s Eve on the Hill” concert at the McLaren family’s Krowera farm will be on the club’s agenda for the New Year’s break. The club catering van will be used over the period of the event from Saturday December 30th to Monday January 1st.

The Club will again participate in the **Sunday, January 14th Swap meet**, catering at the Korumburra Showgrounds and providing hot dogs, coffee and drinks.

**Korumburra Bowling Club**

The Korumburra Bowling Club is located on the corner of Victoria and Charles Streets Korumburra. The Club has two new Tiger Turf synthetic greens with a fully licensed Club House. The Club has very good facilities and we are currently updating our lighting and once completed hope to start running night competitions during the summer months.

We are represented by two Mid week Pennant Teams in Division 2 and Division 3 and three Saturday Pennant teams in Divisions 1, 3 and 4. The Club holds a social evening every Friday night from 5 pm for Happy Hour with a members’ draw and raffles. We have counter teas every second Friday of each month.

We are always looking for new members who will be made most welcome. Membership enquiries can be made to John McVeigh on 5658 1908 or Vera Sund on 5655 2434.

**Rotary Club of Korumburra**
The Society’s Showgrounds have once again staged a very successful Sheep Dog Trials in November followed by the South Gippsland Horse Show Jumping Festival. These annual events held at the Showgrounds bring many people to our town and, in turn, this allows the Society to maintain the grounds for the community to use and enjoy.

The South Gippsland Shire continues to work on the kerbing, drainage and roads at the Showgrounds which has made significant improvements.

The annual show is on February 10th, 2018. This includes Miss Show Girl competition, cooking, craft and horticultural competitions, displays of cattle, sheep and goats. Entertainment will include free face painting for children, Barn Yard Buddies (mobile farm for children), Dog Flyball, Lachlan the magician, Tug of War, Medieval Knights, Buskers competition, Beggs to Differ and Tom Green performing on stage and Jane Kennon singing. Horse events will be on Saturday and Sunday. There will be other attractions too. Watch for advertisements and details on the Community Notice board, Community webpage and the App. Also the Swap Meet will be on January 14th, and Cancer Relay for Life on March 18th.

Available for Hire: The Korumburra A & P Amenities Complex at the Showgrounds. Call 0447 123 318 for bookings.

Despite the many rumours running around town, the preservation of the Korumburra Railway Station is very much alive. We have not yet received official notice that our Business plan has been accepted, and the Shire is still working through negotiation to secure a lease with VicTrack.

We are still having regular communication with VicTrack and everything is still progressing positively. We were always aware that this was going to be a detailed process that required time, and while we have been patiently waiting we have been working on refining details of the building’s future refurbishment.

We have also been meeting with various members of our community that have knowledge and expertise that will prove invaluable to the Korumburra Station once the restoration is underway.

We are all looking forward to having a relaxing Christmas in preparation for a busy 2018 year. Don't forget to follow our Facebook page "The Station at Korumburra" to stay in touch with our progress.

The area of the Park originally encompassed around 30 acres of crown land with the boundaries being Faulkner St (at the lower end of Bourke St), Bridge St, and Bateman St. Bateman Street is and remains, an unmade street that runs the full length of the southern boundary of the park between Bridge St and Faulkner St. Along with Coalition Creek which forms the northern Boundary of the Park.

Part of the area was intended for use as the town’s water storage when the town was surveyed in 1887 but a more suitable site was later found for a reservoir.

In 1903 the reserve became officially known as the Korumburra Public Park with an appointed Committee of Management consisting of five people to oversee its maintenance and development. The names of these original Committee members are today acknowledged on a plaque at the Bridge St gates which form the main entry.

Between 1910 and 1915 the area was cleared of much of the native timber and systematically planted out with ornamental trees following a plan prepared by Mr H S James (Designer and friend of the Royal Horticultural Society). The exotic species of trees were primarily sourced from Moss and Sons’ Tarwin Nurseries located at what is now Mossvale Park near Mirboo North.

In 1931 the Park’s use was officially extended for the purpose of public recreation and camping with approximately ten acres fenced off except for vehicular access between the two areas. During the post–war years tennis and net ball courts were constructed on the southern side of the camping area.

After some years of intensive public usage the assets fell into disrepair and in 1955 the then Committee of Management handed the Park to the Shire of Korumburra to ensure a basic level of maintenance.

Council leased the park to adjoining land owners to run cattle on, the only way the grass was kept below a fire hazard level. The Park during that period was little used by the community and became choked with weeds, fallen trees and limbs with a badly potholed road way which was near to impassable in winter.

continued next page
In the 1970s an assessment of the park revealed that many of the original improvements were destroyed, trees were not well maintained and in need of replacement planting, the Camping or Caravan Park area was of a poor standard with unsewered facilities.

By 1979 the community had reawakened to the value of the park as a community asset and several groups met with Council to propose joint initiatives to rehabilitate the entire reserve.

The through road was closed off with the ten acres on the western end being developed into a creditable Caravan Park and the 20 acres of the Public Park at the eastern side to be rehabilitated.

Over the ensuing years between 1979 and 1994 the Korumburra Shire Council worked with the local Lions Club to improve the standard of the Caravan Park.

One cannot overstate the value of the voluntary work completed by the Korumburra Lions Club in the Caravan Park area. In November 1994 the Caravan Park officially began its operation under a lease agreement with Council. Funding for the maintenance and upgrade of the Caravan Park was subsequently sourced from the rental income generated. Community groups and individuals are still given free daily access to the Caravan Park by prior arrangement with the lease holder.

The remaining 20 acres that now form the Public Park was the subject of joint action with the South Gippsland Conservation Society and Korumburra Secondary College restoring name plates on the established trees and replanting where replacement trees were required with Council upgrading the perimeter fencing.

An adjoining property owner agisted cattle at the Park, providing an economical means of controlling undergrowth and also assisting with eradication and control of noxious and undesirable weeds.

In 1990 a report from horticultural consultant Mr Eric Dalziel was commissioned by the Advisory Committee. His report detailed the condition of the trees and their significance along with preservation and restoration ideas. Over a number of years from 1992 the works took place, completed by both Council staff and a mix of community volunteers with a major contribution by the Department of Corrective Services.

Regular working parties under the supervision of Mr Robert Freene saw men on community based orders complete their time, generally on weekends, doing many maintenance programs, in particular the clearing of fallen trees and limbs.

As a Council employee I became a member of the Advisory Committee in order to liaison between committee members, the public and Council. Mr John Kurrle whose home adjoined the Park became the chairperson and driving force of the Committee over many years.

Olsen’s Walk, the narrow pathway along the side of Coalition Creek is so named to give recognition to Mr Bill Olsen a Committee member and volunteer who almost single-handedly constructed that pathway. He spent many weeks with a pick and shovel carving out the pathway and then with nothing more than a wheel barrow wheeled waste gravel that had been deposited in a pile at the car park area by the Council street sweeper, into and along the length of the walk way. It was a magnificent effort and physical contribution on his part.

The South Gippsland Shire Council is now Committee of Management for the Public Park and Caravan Park. We can be thankful that a weed invested unkept reserve full of fallen limbs, crawling with snakes in summer and infested with rabbits and a foul smelling highly polluted creek overgrown with blackberries has been transformed into a place to go for wedding and family photographs, picnics or just for quite a walk with your dog.

We can all now fully appreciate having an almost unique asset on Korumburra’s door step.

Throughout our community must remain ever vigilant and not allow the Korumburra Botanic Park to return to a state of neglect or abandonment by local government. The area is Crown Land and as such remains the property of the state and cannot be sold off or divided up.

Except of Dennis Conn’s presentation to Korumburra Horticultural Society
If you enjoy swimming in a fun environment and would like to improve your fitness, the beginning of Summer is an ideal time to join our club. Training is held in the Korumburra Outdoor Pool on Monday, Wednesday and Thursday evenings from 6 pm to 7 pm.

Participation in the squad offers members the chance to refine their swimming technique and participate in competitive swimming.

Six carnivals will be held in the 2017-18 season: the first one at Wonthaggi on Saturday 9 December and the remaining five on Sundays in February and March 2018.

There is no age limit for new members, but you must be competent in two strokes and able to swim at least 25 metres if under 10 years-of-age and at least 50 metres if over 10 years-of-age.

For information contact the Squad Manager Lesley Turton on 0418 547 323.

South & West Gippsland Transport Group

The South & West Gippsland Transport group is committed to advocating for improved transport (road, rail and buses) for South Gippsland.

South Gippsland is grossly disadvantaged in terms of the provision of local bus services on any comparison.

• South Gippsland is significantly disadvantaged in terms of ready access to public transport with only 8.5% having a bus stop within 800m from home versus 35% for Gippsland councils or the State average of 74%.

• 72% of people in South Gippsland have poor access to work, education and services such as hospitals, health centres, courts, Tafe/Uni, Centrelink, Centrelink Agencies and pharmacies.

• 18 towns in Victoria of less population than Korumburra and Leongatha combined have a State Government provided local township service.

We are currently organising an e-petition in the Victorian Legislative Council to be tabled in parliament to request an introduction of local bus services and or a Telebus service and other bus services. The Telebus service allows passengers to be picked up or dropped off from their homes, saving a walk to the bus stop.

Danny O'Brien and Andrew McEwen discussing the petition

We are seeking community support to promote both the e-petition and our Facebook page. The reality is that numbers count. The petition is being sponsored by Melina Bath, one of the Upper House Members for Eastern Victoria.

The petition can be accessed from our Facebook page. We would request you to like our page to build the numbers and to be kept informed. Or you can sign the e-petition by going to https://www.parliament.vic.gov.au/council/petitions/electronic-petitions. Your support in promoting the petition would be greatly appreciated.

The Christmas Gift - Emmanuel

The best Christmas gifts are an expression of love. They are more than the object given, however expensive or pleasing that object is. The best gifts are an expression of personal relationship. So the painting of a toddler for a parent is precious beyond the paper and splash of colour. On the other hand, a bottle of expensive perfume from a virtual stranger might be useful but is not special beyond the usefulness. It is the gifts of love that we really crave. Perhaps an extended visit to a lonely person might be one of the best gifts of all.

The first Christmas started with the greatest gift. God gave himself by leaving heaven and coming into the world. That was a generous expression of love – God reaching out to us, offering genuine relationship. He didn't come into the world because we were asking. He came despite the fact we largely ignore him. He didn't come to receive from us, rather to bring his presence, healing and blessing to all who would receive it. He came at considerable cost to himself, to a lowly life that ended in violent death.

If you want relationship with others you have to take the risk of rejection, and he did. But to all who received him he gave the right to be members of God's family. His gift gives a sense of identity, peace and meaning to life.

The remarkable thing is that the gift is still available today.

Every gift must be received. It is the acceptance of the gift that seals the relationship. Every gift must be unwrapped and appreciated, even the gift of a friendly visit. We unwrap God's gift when we place our faith in Jesus and start walking through life with him. He is the gift of 'Emmanuel' – God with us.

Merry Christmas to you and your family!

We invite you to celebrate Christmas at one of our services:

Koringal Women’s Service Club

Koringal Women’s Service Club has been busy this year as always. Our Fathers Day Raffle was well supported by the community, and with lots of catering we have already made substantial donations in 2017.

Carinya Lodge Hostel has received two footbaths and two BP Units, two Sensor Mats and a Syringe Driver. The Ambulance Service received three new GPS units, and a donation was made to Korumburra Secondary College for their Performing Arts Production. Coal Creek was given a donation and assistance with Halloween, and we donated items and postage for Samaritan’s Purse Christmas boxes.

We gave $1000 to the Korumburra Fire Brigade for their participation in “Relay For Life”, in memory of our very treasured and missed long time member Maureen Rodda, who passed away in 2015.

We are looking forward to providing many deserving school children with awards at their annual end of year celebrations. We also donated $500 to the Business Association to assist with buying Christmas decorations, and a donation was made to Annie Carter to further her participation in her chosen sport of Baseball.

In November the Halloween vegetable display was put to good use being made into soups and casseroles for the Food Bank at Milpara.

We have had a full year with varied speakers and some lunch meetings, with the occasional visit to the cinema and are looking forward to a terrific Christmas Breakup and great year ahead.

If you would like to help or are looking for something rewarding to do, come along and join our friendly group and you will be warmly welcomed. We meet on the last Tuesday of the month and our AGM is held at the end of November.

Please contact President Bev Hall: 0408 595 460 or Sue Van Sinderen: 0401 039 824.
Korumburra Golf Club

With the warmer weather, Korumburra Golf Club is the ideal place to make the most of some outdoor activity. Green fee players are welcome to play 9 or 18 holes of golf on a casual basis which is an enjoyable way to catch up with friends, as well as the bonus of fresh air and exercise.

The club runs regular competitions on Tuesdays, Wednesdays, Thursdays and Saturdays, with new members and visitors from other clubs most welcome.

Reasonably priced counter teas are available on Friday nights from 6 pm, with the clubrooms being a comfortable venue with spectacular views of the course and surrounding countryside. Many stay on after dinner or come along afterwards for Bingo, which begins at 8pm. The club also runs Bingo at the Middle Hotel on Tuesday mornings, with 'eyes-down' at 10 am.

Up-coming social events:
During Daylight Saving months the club organises a social competition for members and non-members each Thursday evening, weather permitting. Starting times are between 4.30 and 6.20pm, with a time-sheet in the club-house foyer. The cost of just $15 per pair includes the golf round, prizes for winners, runners-up, nearest the pins, as well as inclusion in the raffle. Participants are welcome to bring a plate of food if they would like to remain for the buffet dinner after golf.

An ideal end-of-year break-up activity for businesses is the Trade Golf Day on Friday, 22nd December. The cost is $50 per person, which includes golf (4-person Ambrose), lunch, drinks and great trophies.

An exciting new addition to the calendar is the Australia Day Golf event, Friday, January 26th, 2018, with lunch and excellent trophies. Please keep this in mind as a day to get together with family, friends and colleagues.

Phone David on 0408 515 622 if you would like more details about any of the social events.

Further details about upcoming golf events can be obtained by phoning the club on 5655 1886. A range of information, including details about hiring the clubhouse, is on the website www.korumburragolf.com.au or individuals can network with the club by 'Liking' Korumburra Golf Club on Facebook or by using the Korumburra App.

Well, the Korumburra Round Table has certainly ended the year with a VERY full agenda, as our town gets ready to undergo the most significant changes it has seen in decades.

With Korumburra’s IGA supermarket set to be relocated to the bottom of the main street, we are now engaging with the community on the relocation of the library, art gallery, historical society and Lions’ Club, currently occupying that site. These buildings are planned to be merged with Milpara, our neighbourhood house, into a community hub all on one site.

But where to put this hub…?

At our last KRT meeting there was a wonderful, lively debate about all of the positives of all three sites proposed by the Shire so far; and the community has had the chance over the last month to submit preferences both in writing and in person.

Over the next 12 months decisions around the community hub will be vital ones for the KRT as we envisage, for example, future generations of school children walking only a very short distance to the library; or using bike paths to visit markets and the heritage railway station, or an outdoor art installation surrounding an indoor gallery. The possibilities are endless, but the decisions we make now will affect us all for a long time to come.

For this reason I am very grateful to be leading the KRT at a time when we have 17 incredibly dedicated community representatives on board. They all bring unique skills to our ‘very rectangular’ Round Table, and they are equally passionate about where Korumburra is heading over the next few years. We are looking forward to the challenges that 2018 will most certainly bring.

Merry Christmas everyone!

Pee-Wee Lewis, President, KRT.

Why not give it a try!

Seen here is Doug Appleton presenting the trophy to Janie Gordon, this year’s winner.
Korumburra is situated on the Great Southern line about seventy miles [about 110 km] from the metropolis. It is the busy centre of the coalfields, and the probable Newcastle of Victoria, with a present population of about 4,000. Yet six years ago, on the site where the township now stands, nothing but primeval forest was to be seen. Years ago, however, the present secretary of the Coal Creek Proprietary Company, Mr. J.R. Patterson, whilst prospecting, came across indications of coal in the vicinity of the company's present mine. Through his instrumentality Korumburra and the surrounding neighbourhood were reserved by the Minister of Lands. The building of the Great Southern line, however, is directly responsible for the formation of the township. In 1888 a few stores were opened up – general stores by Mr. Richard Scott and Mr. Shepherd, a bakery and butchery by Mr. Scott, and a coffee palace by Mr. Malone – with a view of supplying the needs of the navvies. The same year also saw the erection of the Korumburra Hotel by Mr. Radovick, which was opened in December, 1888. This magnificent building then literally stood in the heart of the forest, and the bulk of the material of which it is erected was carted by bullock teams from Drouin, a distance of over thirty miles. Mr. Radovick is thus one of the pioneers of Korumburra, and has been actively identified with all the movements for the advancement of the place.

During the first year of its existence, Korumburra made marked progress. As a sign of increasing activity, the “Southern Mail,” Korumburra's first newspaper, was published by Mr. Brown in 1890, whilst a branch of the National Bank was opened up. In 1891 the fate of the township, however, was decided when the diamond drill provided the reality of the Korumburra coalfields, and from this year its real growth began. The Coal Creek Proprietary Company immediately began operations and the next year saw the development of their mine, the completion of the railway, and coal placed on the local market. This colliery alone employs nearly four hundred men and pays away in wages close on £2,000 per fortnight. Adjoining this mine is that of the Korumburra Coal Company, which is an amalgamation of the Korumburra and Jeetho and Extended. This mine is also in full swing, as is also the Silkstone Company, whilst the Strzelecki Company is making active preparations for sending out coal.

Commercial Street is the great business centre. Here are situated the Post Office and the Banks (National and Australasia), whilst adjoining Radovick Street is the Mechanics' Institute which is capable of seating 300 people and has a library containing 800 volumes. Commercial Street on pay Saturday nights may be described as a miniature edition of Bourke Street.

Foremost among the public men of the place stands Mr. G.W. Mitchell, J.P., whose connection with the place dates from the foundation of the township, when he opened and managed for about three years the branch of the National Bank. Seeing the rapid strides the place was making and that there was a sufficient opening for a second newspaper, he resigned his connection with the bank in 1892 and founded the “Korumburra Times,” which has grown into a large concern as a country newspaper. In 1893 Mr. Mitchell was elected as a councillor of the Poowong and Jeetho Shire.

In matters of religion, Korumburra is not backward. There are six churches represented, five of which have structures of their own, viz., the Roman Catholic, Church of England, Wesleyan, Baptist and Salvation Army, whilst the Presbyterians assemble in what was hitherto known as Woolfe's auction room. In April this year, the Roman Catholic building was consecrated and opened by the Archbishop of Melbourne. The Church of England was opened in 1893, and though built with a view to an increasing population, is in fine weather taxed to its utmost capacity. (see photo below)

**Korumburra Community Development & Action Inc. (KCDA) Open Gardens Weekend**

The smiling faces of Lucy Gent (whose parents opened their garden) and Josi Kratz greeted visitors at the Korumburra Open Gardens and served scones, tea and coffee with the proceeds going to their school (St Joseph’s Primary School). The nine year old girls are to be commended in this day and age when volunteers are often so few and far between. A great effort.

K.C.D.A. Inc. would like to thank all those who took part, including those who supported the event by visiting the gardens and the volunteers for cooking sausages and manning the gates, with special thanks to the Korumburra Lions Club. They would especially like to thank Stuart Gent and Craig Swain, Dianne McCartney and Fay and Ken Brammer for opening their magnificent gardens with proceeds going to the local community.

Korumburra Uniting Church Op Shop

With the Festive season fast approaching, this will be a time of celebration, reflection and a time when we focus on family! The saying, “The most important things in life are not THINGS” brings us back to reality!

In our Uniting Church Op Shop we have many things that have been gifted with love, transferred with love, and sorted with love for the thrifty shopper. This circle of love is never ending as the OUTREACH in $$ is then gifted to local, Australian and overseas projects that certainly make a difference in the lives of many. What a magnificent gift at Christmas.

The Bible verse 2 Corinthians 9:8 states that “God will generously provide all you need. Then you will always have everything you need, and plenty left over to share with others.” This is so true, and we see continual evidence of this with the wonderful gifted items that we recycle through our shop. So, thank you for your belief in and support of the Op Shop concept...it is a wonderful way to share and spread love within the community.

Similarly, we are eternally grateful for our wonderfully dedicated volunteers whose belief in the mission of outreach, the practise of doing, caring, connecting, sharing and supporting our multitude of visitors upholds the Christian principles of Peace, Love, Joy and Hope.

Daily our volunteers are making the difference in the lives of many and so the cycle of love continues. May you too, focus on the true meaning of the festive period and make a difference in the lives of others. If we practise recycling that gift, we will have a magnificent community and world!

The Burra Flyer

On the 1st Sunday of the month the Jumbunna Bush Market is held in the local hall on Cruickshank Road, Jumbunna. It runs from 9.00am until 12.30pm. All proceeds from the markets go back into the hall funds for ongoing maintenance. Also there were three historical walks held this year and the two yearly raffles, all raising additional funds.

The proceeds from all these efforts are now about to be put to good use as the go ahead has been given for repairs and for additional work to be carried out at the entrance. There are a variety of stalls with mostly home grown and home made goods for sale, as well as an array of plants and crafts. What’s more they are always looking for more stall holders for their large hall. A very nominal fee is charged ($6.00) for a market with all stalls under cover providing shelter from the elements.

Some fine examples of the benefits of Landcare can be seen on farms, in our community, in places like the Outtrim Reserve, Korumburra Botanic Park, Carinya Lodge, Korumburra Primary School, Korumburra Railway station, to mention a few. These growing environments add colour, beauty and life to our community and are a living, breathing legacy to, and for, many generations.

Why not come and find out about Landcare? If you are interested in joining our group or to find out more information, please contact Marie Creed on 5657 3221 or 0409 783 619. Why not join our growing Landcare family and make a real difference!

The Korumburra Indoor Pool is managed by a volunteer committee as a private facility.

Korumburra Landcare

What is your favourite type of tree? What does a TREE do….for us…for our world?
Why do we plant them?

These are only some of the question that we explore, talk about and put into action in Landcare! And of course there are a multitude of other hands-on practices and principles too, dealing directly with trying to convince all generations that our earth’s existence relies on our own personal input into sustaining it. It doesn’t just simply happen!

You can be part of this exciting growing concept by joining a Landcare Group. There are many dotted around our community, so why not connect with one for a small membership fee, and come and find out how you truly can make a difference in our living world.

Inverloch Jazz Festival

25 Years of Jazz by the Sea in Inverloch – That's Entertainment!

Beautiful seaside Inverloch will hold its 25th annual Jazz Festival on the Labour Day Weekend, 9-12 March 2018.

The community event offers a long weekend of jazz, from Friday night through to Monday’s free concert, and is sponsored by Bass Coast Council, Inverloch Men’s Shed and local businesses.

As this is our 25th Festival we’re celebrating by welcoming back many of the fine artists who’ve performed at our earlier events. Around forty bands with two hundred musicians and singers will play great jazz across a broad range of genres – swing, trad, bebop, latin, progressive, big band and more – in comfortable venues close together in the centre of town, with gourmet local wine and produce available.

It all starts with Friday’s Gala Evening, then Saturday’s Community Grand Parade is a festival highlight, known for its colourful cars, banners and musicians.

Saturday and Sunday showcase non-stop jazz in three venues from 11am to 11 pm, then Monday has a free jazz concert in The Glade beside the seashore, with food, coffee and wine from local producers.

As one patron said, 'It's the only festival I know of where you can listen to jazz, go for a swim, and come back for more!' Come for one day or stay for four and be part of this exciting event.

See invyjazz.com for details and ticketing.

For more information contact Clive or Carol, 0434 574 516 or 5678 8041.
